Hi Alex

How are you?! I'm fine. I'm at school in London now and it's really great. I'm in a class with ten students. We're from lots of different countries.

Olga's from Russia. She's fifteen and I like her very much. She's my best friend in the class. Her brother Andrej is also in our class. He's a great tennis player and I like him too. Isabella's Spanish and her English is very good. Her favourite band is *Coldplay* so we like the same music!! Marek's from Poland. I don't like him very much. He isn't very nice.

Marcelo's from Italy. We're from the same city – Roma! His English is fantastic. Akiko is a Japanese girl. She's sixteen and she's from Tokyo. We're in the same family here in London. There's a Chinese girl in our class. Her Chinese name is very difficult so her English name is Lucy. And then Lisa is from Switzerland. She's only fourteen and she's from Basel. Her favourite language is French, not English! And finally Fred ... he's from Belgium. His best friend in the class is Andrej.

Please write soon.

Love

Hi! I'm Louisa. I'm 15. I'm English and I'm from London. My address is 7 Park Drive, Hampstead, London. My mobile phone number is 07743 629418. I like tennis and volleyball but I don't like football. My favourite actress is Julia Roberts. She's from America.

My brother's name is Harry and he's fifteen. I think he's good-looking but I don't tell him! He's got short dark hair. It's usually straight but it gets wavy when it's wet. He's quite tall with long legs, so he's very good at volleyball! He's got grey eyes and a nice smile and all my friends really like him. I like him too. He's a good brother and we sometimes go out together at the weekends. He likes music and he can play the guitar very well. His favourite band is the Kaiser Chiefs. He can cook delicious pasta but he can't make a sandwich! That's crazy, isn't it?
